(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8088)

1ST QUARTERLY RESULTS FOR THE THREE MONTHS ENDED 31 MARCH 2011

Characteristics of The Growth Enterprise Market (“GEM”) of The Stock Exchange of Hong Kong Limited (the “Exchange”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss however arising from or in reliance upon the whole or any part of the contents of this announcement.

Revenue from continuing operations have increased to US\$0.9 million for the period under review when compared to US\$0.5 million same period last year. Shikumen Capital Management (HK) Limited (“Shikumen”), a wholly owned subsidiary acquired in September 2010, was the major contributor to the increase in the revenue of the Group for the period. Excluding those of Shikumen of US\$0.6 million, they have been managed and controlled at a level of US\$1.5 million for the period under review as compared to that of US\$1.8 million same period last year.

During the quarter, the Company successfully completed the placing of HK\$90 million Tranche 2 Convertible Bonds. Part of the proceeds was then used to complete the acquisition of the Group’s new office premise in AXA Centre, Wan Chai, Hong Kong. The fund investment teams of both Shikumen and Crosby are now integrated in the same office which is expected to improve the efficiency of our operations.

Through Shikumen, the Group completed the initial closing of US\$80 million of BlackPine Private Equity Partners Fund, a new private equity fund managed by Shikumen and at the same time combining the expertise of the personnel of both Shikumen and Crosby. Shikumen is in discussions with various institutional investors and expects to achieve a final closing for BlackPine by the end of calendar year 2011.
