CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

GENERAL INFORMATION

A notice of the AGM is set out on pages 15 to 19 of this circular.

A form of proxy for the AGM is also enclosed. Whether or not you are able to attend and vote at the AGM, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon and return it to the principal place of business of the Company at 18th Floor, Fairmont House, 8 Cotton Tree Drive, Central, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. RECOMMENDATION

The Directors, including the independent non-executive Directors, are of the opinion that the proposals referred to above are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors recommend you to vote in favour of the relevant resolutions to be proposed at the AGM.

For and on behalf of
Crosby Capital Limited
Johnny Chan Kok Chung
Executive Director

This explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing Rules to be given to Shareholders to enable them to make an informed decision on whether to vote for or against the resolutions relating to the Repurchase Mandate.

1. SHARE CAPITAL OF THE COMPANY

As at the Latest Practicable Date, the issued share capital of the Company comprised 490,597,984 Shares of US\$0.01 each.

Subject to the passing of the resolution in relation to the Repurchase Mandate and on the assumption that no further Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 49,059,798 Shares, representing 10% of issued share capital as at the Latest Practicable Date.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws and regulations of the Cayman Islands. The Company may not repurchase Shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

If the Repurchase Mandate is exercised in full, there might be a material adverse effect on the working capital or gearing position of the Group as compared with the position disclosed in the audited financial statements for the year ended 31 December 2010. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or gearing levels of the Group which in the opinion of the Directors are from time to time appropriate for the Group unless the Directors determine that such repurchases are, taking into account of all relevant factors, in the best interests of the Company and its Shareholders. On exercise of the Repurchase Mandate, the Directors intend to maintain the Company's public float above 25%.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

5. CONNECTED PERSONS AND ASSOCIATES

As at the Latest Practicable Date, none of the Directors, nor to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the GEM Listing Rules) has a present intention to sell Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by Shareholders.

As at the Latest Practicable Date, no connected person (as defined in the GEM Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by Shareholders.

8. EFFECT OF TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could, depending on the level of increase in shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, so far as the Directors are aware, Crosby Management Holdings Limited, who is the substantial Shareholders holding 10% or more of voting rights attaching to the Shares, was interested or deemed to be interested in 130,000,000 Shares (representing approximately 26.50% of voting rights attaching to the issued ordinary share capital of the Company). Please note that Crosby Management Holdings Limited was beneficially owned as 52% by Mr. Nelson Tang Yu Ming and 34.7% by Mr. Jeffrey Lau Chun Hung. Both of them are entitled to exercise more than 30% of the voting power at the general meetings of Crosby Management Holdings Limited and, accordingly, they are deemed to be interest in 130,000,000 shares owned by Crosby Management Holdings Limited. In the event that the Company exercises the Repurchase Mandate in full, their respective shareholdings in the Company will increase to approximately 29.44%. Accordingly, they, individually, will not be required under the Takeovers Code to make an offer for all the issued securities of the Company pursuant to such increases.
