PRINCIPAL TERMS OF THE SERIES A PREFERRED STOCK

According to the Restated Certificates, the principal terms of the Series A Preferred Stock are set out below.

Liquidation Preference

In the event of any liquidation, dissolution or winding up of the Target, either voluntary or involuntary, the holders of Series A Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of the assets of the Target to the holders of Common Stock by reason of their ownership thereof, for the Series A Preferred Stock, an amount per share equal to the sum of (A) US\$51.600823 (the “Original Series A Issue Price” or “Original Issue Price”) for each outstanding share of Series A Preferred Stock and (B) an amount equal to all declared but unpaid dividends on such share (subject to adjustment for any stock splits, stock dividends, combinations, recapitalization or the like). If upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amounts, then the entire assets and funds of the Target legally available for distribution to stockholders shall be distributed ratably among the holders of the Series A Preferred Stock in proportion to the full preferential amount each such holder is otherwise entitled to receive.

Upon completion of the distributions of the full amount required by holders of Series A Preferred Stock, all of the remaining assets of the Target available for distribution to stockholders shall be distributed among the holders of Common Stock pro rata based on the number of shares of Common Stock held by each such holder.

Conversion Rights

Each share of Series A Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share at the office of the Target or any transfer agent for such stock, into such number of fully paid and non-assessable shares of Common Stock as is determined by dividing the Original Issue Price for each such series of Preferred Stock by the conversion price applicable to such share, determined as hereafter provided, in effect on the date the certificate is surrendered for conversion.

Each Series A Preferred Stock shall be automatically be converted, based on the then-effective conversion price, without the payment of any additional consideration, into Common Stock upon the earlier of (i) the closing of a qualified initial public offering, or (ii) the date specified by vote or written consent of the holders of at least a majority of the then outstanding shares of Series A Preferred Stock voting together as a single class.

Voting Rights

The holder of each share of Series A Preferred Stock shall have the right to one vote for each share of Common Stock into which such share of Series A Preferred Stock could then be converted. With respect to such vote and except as otherwise expressly provided herein or as required by applicable law, such holder shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision hereof, to notice of any stockholders' meeting in accordance with the bylaws of the Target, and shall be entitled to vote, together with holders of Common Stock as a single class, with respect to any matter upon which holders of Common Stock have the right to vote.

Dividend

The holders of Series A Preferred Stock shall be entitled to receive dividends, on a pari passu basis, out of any assets legally available therefor, prior and in preference to any declaration or payments of any dividend (payable other than in Common Stock or other securities and rights convertible into or entitling the holder thereof to receive, directly or indirectly, additional shares of Common Stock of the Target) on the Series A Preferred Stock or Common Stock, at the rate of US\$4.20 per share per annum for the Series A Preferred Stock (as adjusted for any stock splits, stock dividends, combinations, recapitalizations or the like), payable when, as, and if declared by the board of directors of the Target. Any partial payment shall be made ratably among the holders of Series A Preferred Stock in proportion to the payment each such holder would receive if the full amount of such dividends were paid.

After payment of the full amount of any dividends pursuant to the Series A Preferred Stock any additional dividends shall be distributed among all holders of Common Stock and all holders of Series A Preferred Stock in proportion to the number of shares of Common Stock which would be held by each such holder if all shares of such series of Preferred Stock were converted to Common Stock at the then effective conversion rate for each such series of Preferred Stock.

REASON FOR AND BENEFITS OF THE FURTHER STOCK PURCHASE

The Group is principally engaged in asset management and strategic investment businesses. Among other things, through mergers and acquisitions, transactions and partnerships, the Group aims to identify business with promising growth and unlock their values. Over the years, the Group has accumulated remarkable experience in investing and operating technology businesses. The Directors believe that it is in the interest of the Company to further develop the strategy of investing in world-class technology and becoming a partner for the commercial roll out of such technology in Asia for its investee companies.

Given the availability of targets and the resources of the Group, the Directors consider that, in addition to internet and mobile applications which the Group has already been engaged in, robotic technology and applications, virtual reality (VR), artificial intelligence (AI) equipment and contents, and healthcare technology are the most attractive sectors the Group can be capitalized on. Consistent with this strategy, the Directors believe the Target represents one of the most advanced robotic technologies and applications in the world and its business, when materialized, will change the mode of transportation in the major cities of the world dramatically. It is also predicted that, by 2025, 13% of all vehicles on the road will be autonomous with a worth of US\$42 billion, and will reach 25% with a worth of US\$77 billion by 2035. The Further Stock Purchase therefore provides an opportunity for the Group to get more involved in such a state-of-art technology with foreseeable business viability as well as future collaboration in rolling out the business in Asia, hence maximising the return for the Company and the Shareholders.

The Directors consider that the terms of the Series A Preferred Stock Purchase Agreement II are on normal commercial terms, fair and reasonable and the Further Stock Purchase is in the interests of the Company and the Shareholders as a whole.

LISTING RULES IMPLICATION

As one or more of the applicable percentage ratios calculated under Rule 19.07 of the GEM Listing Rules in respect of the Further Stock Purchase and the transaction contemplated under the Series A Preferred Stock Purchase Agreement II exceeds 5%, and all the applicable percentage ratios are less than 25%, the Stock Purchase and the Further Stock Purchase and the transactions contemplated under the Series A Preferred Stock Purchase Agreement I and Series A Preferred Stock Purchase Agreement II, on an aggregate basis, exceeds 5%, and all the applicable percentage ratios are less than 25%, the entering into of the Series A Preferred Stock Purchase Agreement II constitutes a discloseable transaction of the Company subject to the reporting and announcement requirements under the GEM Listing Rules.
