1ST QUARTERLY RESULTS
FOR THE THREE MONTHS ENDED 31 MARCH 2016

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The directors of the Company, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief (i) the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive; and (ii) there are no other matters the omission of which would make any statement in this announcement misleading.

ABOUT AID PARTNERS CAPITAL HOLDINGS LIMITED

AID Partners Capital Holdings Limited (the “Company” and, together with its subsidiaries, the “Group”) is an independent asset management group listed on GEM (stock code: 8088).

The Group is engaged in the businesses of asset management and strategic investment.

MANAGEMENT DISCUSSION AND ANALYSIS

During the three months under review, the Group has continued to expand in its asset management and strategic investment businesses. Through mergers and acquisitions, transactions and partnerships, the Group aims to identify businesses with promising growth and unlock their values. The Group has made various investments and expansion during the three months under review, with a focus in online, entertainment and lifestyle sectors, and has been enhancing the values of its strategic investments by creating synergies and providing management expertise and business relationships, demonstrating its “Project Investment and Active Management” investment philosophy. The Group has also been expanding its asset management business and related financial platform by establishing a team of professionals and the relevant infrastructure with an objective to enhance the value for the Group, hence maximising the return for the shareholders.

On 29 January 2016, the Group completed the acquisition of approximately 14.74% equity interest in Kabushiki Kaisha Hyakusen Renma, a company incorporated in Japan which owns and operates STAYJAPAN.com (<https://stayjapan.com/>) — one of the leading legitimate platforms in Japan for licensed property owners to list vacant rooms for private lodging and for guests to book vacation rentals, at a cash consideration of JPY 490 million (equivalent to approximately HK\$32.7 million). Together with the establishment of AID Japan Company Limited in April 2016 by acquiring EEL21 Co., Ltd., a long established business advisory company in Japan principally engaged in entertainment and investment businesses, the Group further expands its global presence and strengthens its capability in Japan and across the Asia Pacific region.

On 1 March 2016, the Group entered into a sale and purchase agreement with WiL Fund I, L.P. (“WiL”), an independent third party which is one of the largest venture capital funds in Japan, in which (i) the Group has agreed to sell 2,250 existing ordinary shares of HMV M&E Limited (“HMV M&E”), a wholly-owned subsidiary of the Group, for a cash consideration of US\$9,000,000 (equivalent to approximately HK\$70,200,000); and (ii) the Group shall apply the consideration received for the subscription of 2,250 new ordinary shares in the capital of HMV M&E (the “Deemed Disposal”). The Deemed Disposal was completed on 4 March 2016 and as a result, HMV M&E is owned as to approximately 18.37% by WiL and as to approximately 81.63% by the Group. The Deemed Disposal resulted in a gain of approximately HK\$30.4 million, being the difference between the cash consideration received and the net assets attributable to the 18.37% equity interest in HMV M&E disposed of at the date of disposal, recognised in other reserve.

On 14 March 2016, the Group entered into a sale and purchase agreement with China 3D Digital Entertainment Limited (Stock code: 8078) (“China 3D”), a company incorporated in Bermuda with limited liability, the shares of which are listed on GEM, in which the Group has agreed to sell 10,000 existing ordinary shares, representing approximately 81.63% equity interest, in HMV M&E, for a consideration of HK\$408,150,000 to be satisfied by the issue and allotment of an aggregate of 1,118,219,178 shares (the “Consideration Shares”) of China 3D (the “Proposed Disposal”). China 3D is principally engaged in the entertainment business, with a focus in television program and movie production, distribution, distribution licensing, cinema operation and management in both Hong Kong and the People’s Republic of China (the “PRC”), artists management, money lending activities and acquisitions of corporate, preference shares as well as investment in securities. The Consideration Shares will represent approximately 22.59% of the issued share capital of China 3D as enlarged by the allotment and issue of the Consideration Shares. Upon completion of the Proposed Disposal, China 3D will be treated as an associate in the consolidated financial statements of the Group through the Group’s shareholding in China 3D in which, based on publicly available information, the Group will become the single largest shareholder of China 3D. The Proposed Disposal is subject to, among other things, shareholders’ approval and is expected to be completed in or before June 2016.

FINANCIAL REVIEW

Revenue in the first quarter of 2016 increased to HK\$89.0 million from HK\$16.8 million in the first quarter of last year. The increase in revenue was driven by (i) the acquisition of 70% equity interest in Honestway Global Group Limited and its subsidiaries (the “HGGL Group”), a mobile-online game developer, distributor and operator in the PRC in April 2015; (ii) the acquisition of four (4) additional HMV retail stores in Hong Kong, together with the acquisition of the rights to use the intellectual properties associated with HMV in Hong Kong, the PRC and Singapore (together, the “HMV Business”), on 30 November 2015; and (iii) continuous improvement of the HMV retail store in Central and the opening of HMV flagship store in Causeway Bay in late 2015 which generated more retail sales and food and beverage income in this quarter.

Other net income in the first quarter of 2016 increased to HK\$26.1 million from HK\$1.1 million in the first quarter of last year, mainly due to gain on re-measurement of contingent consideration payables.

Total operating expenses (being selling and distribution expenses, administrative expenses and other operating expenses) in the first quarter of 2016 were HK\$70.7 million as compared to HK\$32.4 million in the first quarter of last year and this increase was mainly due to (i) continuous expansion of the existing business and operation of the Group including the selling and distribution expenses incurred by the HGGL Group and the HMV Business; and (ii) amortisation expense of intangible assets relating to the acquisitions of the HGGL Group and the HMV Business. The Group improved from a loss from operations of HK\$21.7m in the first quarter of 2015 to HK\$5.7m in the first quarter of 2016.

Finance costs in the first quarter of 2016 increased to HK\$7.1 million from HK\$4.4 million in the first quarter of last year, mainly due to the interest on convertible bond issued in July 2015.

As a result, the Group reported a loss attributable to owners of the Company in the first quarter of 2016 of HK\$14.3 million as compared to a loss of HK\$25.3 million in the first quarter of last year.

We will continue to monitor our businesses and will focus our resources to achieve our strategy of maximising the value of the Company, hence enhancing the return to its shareholders by (a) developing its existing strategic investments and to achieve synergies with active management participation among such investments; (b) realising the value of its existing strategic investments as and when such opportunity arises; (c) investing in strategic investment opportunities; and (d) developing, investing and expanding its asset management business and related financial platform including through mergers and acquisitions and partnership.

6. LOSS PER SHARE ATTRIBUTABLE TO OWNERS OF THE COMPANY

(a) Basic loss per share

Basic loss per share is calculated by dividing consolidated loss attributable to owners of the Company by the weighted average number of ordinary shares in issue during the three months ended 31 March 2016.

	Unaudited	
	Three months ended	
	31 March	
	2016	2015

<i>(HK\$'000)</i>		
Consolidated loss attributable to owners of the Company	<u>(14,288)</u>	<u>(25,257)</u>
<i>(Number)</i>		
Weighted average number of ordinary shares for the purpose of calculating basic loss per share	<u>8,189,993,975</u>	<u>3,672,912,940</u>
<i>(HK cents)</i>		
Basic loss per share	<u>(0.17)</u>	<u>(0.69)</u>

The basic loss per share for the three months ended 31 March 2016 have taken into account of the effect of the placing of 4,005,392,000 new shares on 11 August 2015 (the “Placing”) at the placing price of HK\$0.22 per share. The total net proceeds from the Placing were approximately HK\$855 million. As the placing price of HK\$0.22 per share was lower than the market price of HK\$0.26 on 11 August 2015, the inherent bonus element was therefore taken into account in the calculation of basic loss per share for the three months ended 31 March 2016. Details of the Placing were set out in the Company’s announcements dated 7 June 2015 and 11 August 2015 and the Company’s circular dated 27 June 2015.

The comparative figure for the basic loss per share for the three months ended 31 March 2015 are restated to take into effect the inherent bonus element of the Placing as if it had been taken place since the beginning of the respective comparative period.

(b) Diluted loss per share

No diluted loss per share for the three months ended 31 March 2016 and 2015 are shown, as the outstanding share options, convertible bonds and redeemable convertible preference shares are anti-dilutive or have no dilutive effect.
